INTRODUCING ODONTO APP, ALIGNERS PROVIDER PROGRAM

This clear aligner education program called APP (Aligner Provider Program) is uniquely designed as comprehensive introduction to the use of ODONTO Aligners, covering all aspects of the treatment from diagnosis, assessment, case evaluation, to fitting then retention.

IN ADDITION WE GIVE YOU TIPS AND TOOLS TO GROW YOUR PRACTICE 3 FOLD IN 3 DAYS.

- Since 2012, we have worked almost all aligner companies.
- 2018, we had 2000+ ongoing aligner patients & no reliable solution from existing companies. Has helped hundreds of thousands of patients achieve better smiles.
- We developed our own system - **ODONTO**.
- 2018 to 2020 we did more than 1500 cases internally with close monitoring on a monthly basis.
- 2021 – **ODONTO** aligners is launched.
- In just 6 months we have 1500+ dentists as providers.
- **ODONTO** is a results oriented evolved aligners system
